3. **Extraordinary Meeting to consider Proposals for Development at Port Eynon.**

SC-K outlined the current information from the information sent via email from Port Eynon Community Council on 24th March. There had also been attendance by some residents of Rhossili at a virtual meeting in Port Eynon, hosted by the Port Eynon Village Hall Management committee. It is not at all clear what the proposals are or could be.

SW proposed that RCC do not comment at this stage. SC-K seconded; Approved unanimously

After further discussion

SW proposed that, when “concrete” proposals are put forward as plans, RCC should reconsider the decision whether to make comments or not. JH seconded; Approved unanimously.

SC-K suggested that a Mail Chimp be sent to residents outlining the decisions made at this extraordinary meeting, requesting that recipients pass on the information to other people in their networks. The message should also give information on commenting on the proposals as individuals. Clerk to send out message.

The Virtual Meeting closed at 7.32pm
